### Part 3 - Prize(s)

. ,		
	1.	The Live Trading Competition is based off of ROI:  Calculation ROI% = (Closing equity - Starting equity) / Total
		deposits *100
		- Starting equity equity is the end of day equity available in the trading account the day prior to the competition start date + any deposits
		- Closing equity is the end of day equity available in the trading account on the last day of the competition + any withdrawals made
		- Deposits will include any deposits made into the client's account from the day that client registers to the trading competition, if no deposits were made after the clients registration to the competition, then any deposits made during the registration period will be included - If client does not deposit at all during the registration or competition period, then this client will not qualify for the
		promotion.  Prizes:
		Weekly Volume winner (based on the Highest Volume Traded during the week): \$500.00 USD.
		Final Winners with the best ROI (at the end of the 4 week
		Trading Competition):
